Service

Children's author/actress Brenda Darnley Martin reads aloud from her books, *"The Treasure-Hunt Fish and Miss Bernadette's Wish"* and *"The Treasure-Hunt Three and Judge Mia's Decree."* The books (appropriate for children ages 4—10), relate the life lessons of three young fish living in Old Tampa Bay, emphasizing issues such as positive self-esteem, diversity and personal safety.

The reading is followed by an interactive conversation with the children and adult supervisors - exploring the lessons learned, encouraging and answering children's questions about the stories, the joy of rhyming and a peak inside what it's like to work as an author. Kids have fun, while learning that their own special and unique talents are the spice of life!
